History of Crime and Private Security

August 18, 2015

Hey guys! Our house was broken into this morning at 9:45am. We were able to get some camera footage of the robber before he shut off our power. He was on a bike. Please share!!!! We want to be sure this doesn't happen to anyone else by the same thief in the neighborhood. Thank you.

Patrol Effectiveness – Crime Rates

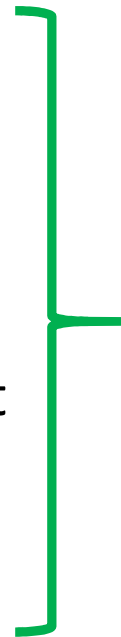

Patrol Cost and Resident Support

Private Security Patrol Summary

- \$250,000+ and Counting
- Low Impact on Crime Rates
- Low and dwindling Resident Support
- Volunteer Intensive

Recommendation:
End Private Security Patrols at
2019 Year End

Moving Forward – Rethink Security

- Refocusing on USS:

- **U**nified
- **S**afe
- **S**ecure

- Call to Action:

- Will you join us for a few short meetings to brainstorm the path forward?
- Please let us know at security@Timbergrove.org
